

Admission Process

OPEN ENROLLMENT

All Saints Catholic School has an OPEN ENROLLMENT process.

To be considered for admissions, an online application must be submitted. The application can be found on the homepage, or on the admissions tab, of our website at www.ascsfw.org.

STEP ONE

A completed application packet must be submitted in order for the student's application to be processed.

Application includes submittal of all required documents:

- Birth Certificate
- Sacramental Information, if applicable
- Most Recent Report Card
- Testing/Diagnostic Results, if applicable

Immunization Policy

Every student enrolled in a Catholic School in the State of Texas shall be immunized against vaccine preventable diseases caused by infectious agents in accordance with the immunization schedule adopted by the Texas Department of State Health Services. A student who fails to present the required evidence shall not be accepted for enrollment. The only exception to the foregoing requirement is a medical exemption signed by a licensed physician (M.D. or D.O.) authorized to practice in the State of Texas.

Adopted by Texas Catholic Conference Education Department, 12-08

STEP TWO

Assessment Testing

As part of the application process, prospective students will be required to take an objective test on basic skills. The test measures the knowledge level and ability in the areas of Reading, Language and Mathematics. This enables us to evaluate the child's academic needs and ensure appropriate placement. Please call the school office, 817-624-2670, to schedule assessment testing.

ASCS Applicants for 3K and 4K are not required to take an admissions test.

STEP THREE

Admission Decision, Announcement to Family

Admission decisions are based on many factors, including: submission of all required forms, results of the assessment test, space limitations, and the availability of an educational program appropriate for the prospective student. Priority is given to returning students (currently enrolled and eligible to re-enroll) and qualified siblings of enrolled students.
